

Judicial Independence (2015)

Objective

The objective of this updated questionnaire is to collect factual information on structural guarantees for judicial independence, which cover certain guarantees for the independence of judges and for the independence of the judiciary.

The updated judicial independence questionnaire maintains almost all questions from the 2014 questionnaire and is already prefilled with the replies you have provided. If a reply was later adapted following clarifications you have provided, these replies are highlighted. Please review these modifications and feel free to adapt other 2014 replies, if the legislation or practice in your country has changed or if you believe the replies should be clarified. Please highlight any such additional changes red.

New or modified questions are highlighted. These mostly concern questions regarding the composition and powers of Councils (prefilled with your replies in 2014), and the appointment of judges. The questionnaire containing replies could later be published.
